Happy Matariki to All

WAITOKI SCHOOL

Adaptive, curious and creative lifelong learners

Tēnā koutou whānau,

Term 3 is off to a flying start with two successful events taking place already, our Matariki celebrations and school cross-country races. Well done to everyone who took part yesterday - you demonstrated our "grit" GOAT value. The top placers in Y5 - Y8 races will go on to represent Waitoki at the **Kaipara Cluster** inter school **Cross Country** competition on **Monday 3rd August** at Muriwai Beach. Good luck to you all.

The rest of the term is going to be a busy one with multiple activities planned for our tamariki. Alongside an hour a day of reading, writing and mathematics, our major learning focus will be related to the **Arts curriculum** areas as we prepare for our School Production, **Project Planet**, which will be performed **Week 8** of this Term, **8th - 10th September**. Every child in the school will be involved in some way and I am really looking forward to seeing the production come to life.

Maths Week is from **Monday 10th - Friday 14th August**. Becky Minton, our passionate lead Maths teacher, will be organising several fun Maths activities throughout the week to encourage our learners to share her passion for mathematical learning. This will be good preparation for the **Mathex competition**, which is being held at Kaipara College on **Tuesday 18th August**.

During the first half of Term 3 will see our Y5 - Y8 students preparing their speeches for the Waitoki School **Speech competition**. This will be followed by the **Kaipara Cluster** inter School speech competition, which will once again be hosted by Waitoki School on **Wednesday 23rd September**. Last year this competition was won by two Waitoki students, Hayley Heeps (Y5/6) and Bonnie Davidson (Y7/8).

During the final week of Term 3, Waitoki School will celebrate **Te Wiki o Te Reo Māori**. Seann Ashley will be organising activities and learning experiences across the school, encouraging everyone in our community to give it a go and use more te reo in their daily school life. Throughout Term 3, our Kapa Haka group will be busy preparing for the **Kaipara Cluster Kapa Haka Festival**, which is being held at Kaipara College on **Saturday 19th September**.

While our main **Ag Day** and **Country Fair** won't be until Term 4, the buzz has already begun for this year's event. A huge shout-out to Serena Bateman, Briar Porter, Kali Grey, and the fundraising team who are already hard at work behind the scenes to make both of these events a huge success. Briar and Serena are busy organising a range of fun Ag Day projects to be completed during Term 3 as well as on Ag day. This will allow every child to take part even if they are not able to raise an animal. Project details are in this newsletter. This year's Ag Day will be held on **Saturday 31st October** and building on last year's huge success, we are really looking forward to bringing the whole community together. I am especially excited to welcome our very first arrivals for lamb daycare!

Our first **school assembly for Term 3** will be held at **1:05pm on Friday 7th August**. Tea and coffee will be available, so please come along, make yourself a cuppa, and celebrate our tamariki's successes together.

Wishing the best of luck to our Waitoki students heading off to the **Tough Guy & Gal Challenge** on **Monday 10th August**. Push through the tough spots, cheer on your teammates, and enjoy every minute of conquering those obstacles. We're behind you all the way!

Ngā mihi nui
Jules McCourt

Term dates 2026:

Term 3—Mon 20 July 2026 to Fri 25 September 2026

Term 4—Mon 12th October 2026 to Tues 15th December 2026

Upcoming events to add to your diary:

27 July:	Whole School Cross Country: 10.50am
29 July:	Board Meeting : 6pm
3 Aug:	Kaipara Cross Country—Muriwai Beach

WAITOKI SCHOOL

Adaptive, curious and creative lifelong learners

AG Day Information :

AG Day and Country Fair are just around the corner and will soon be here - **Saturday 31 October 2026** is the date for your calendar.

Animal and Home Project Expectations:

Children who are not raising an animal for Ag Day are expected to complete at least one home project as part of their Ag Day involvement.

Children are welcome to complete more than one home project if they wish. Children who are raising an animal are also welcome to take part in the home projects; however, they are not required to do so, as raising and caring for an animal is their Ag Day project.

We encourage all children to choose a project that interests them and enjoy the process of creating something they can be proud of.

Our home projects are designed to encourage children to use their creativity, develop new skills, and take pride in something they have planned, created, grown, or made themselves.

Whether it is caring for birds through a handmade feeder, nurturing a sunflower from a tiny seed, creating a delicious country bake, or building a miniature country scene, each project celebrates the many different parts of life in our Waitoki community.

Important Home Project Dates:

Completed home projects and photo journals (where required) must be brought to the hall on:

Thursday 29th October 2026

Please ensure all entries are clearly labelled with:

- Child's name, Year level, Class

Baking entries are the exception and should be brought fresh to the school hall on judging day.

Entries will be judged on: **Friday 30th October 2026**

All projects will then be displayed in the hall for families and visitors to enjoy on: **Saturday 31st October 2026 – Ag Day**

We can't wait to see the wonderful creations, gardens, baking, and displays our children produce as they celebrate Waitoki Country Life!

Chick Orders and supplies

Chicks will arrive for collection on 4th August at the end of the school day. **We will need a named shoebox on the morning of the delivery to safely transport your chick home.** If you have chick crumble please have some ready with your collection box. We can't wait to see this year's chicks and the proud efforts of their young handlers!

Lamb/Calf/Goat

If you are planning on rearing an animal for Ag day this year, please notify an expression of interest by completing the following form:

<https://docs.google.com/forms/d/e/1FAIpQLScsQgaEm1txMfqx4Ewv6k-40rrum2hGbdelyWuAA2GASc6AQ/viewform?usp=sharing&ouid=115218384359214436298>

Or emailing: sbateman@waitoki.school.nz

Please remember that your new animal must be born between the 1st of July and 15th September 2026, if you would like more information about any aspect of AG day, please email Serena Bateman or contact the school office.

Serena Bateman and Briar Porter: Ag Day Coordinators

School Country Fair:

Looking for sponsors for our silent auctions and raffles along with stall sponsors. Please see the attached notice to the newsletter.

Please email: fundraising@waitoki.school.nz

if a business/family you know would be keen to get involved and sponsor.

Thanks so much for your support!

Home Project Information:

HOME PROJECTS INFORMATION

All children at Waitoki School are expected to enter into at least one of the following competitions or rear an animal. Those who choose to rear an animal can also partake in the following.

OPTION ONE: Waitoki Country Life
Construction Project: Bird Bath or Feeder Challenge

This year's construction challenge invites you to design and create a bird feeder or bird bath that would be welcomed in a Waitoki backyard, garden, or farm environment. Your creation should provide a safe and useful place for birds to visit while showing creativity, care, and appreciation for the wildlife that shares our country environment.

Success Criteria:

- Create a bird feeder or bird bath using natural, recycled, or repurposed materials.
- Your bird feeder or bird bath must:
 - Be designed and constructed by the child (with adult support where needed).
 - Be suitable for outdoor use.
 - Be strong enough to hold bird food or water.
 - Be able to be safely transported to school.
- Include a photo journal showing your design and construction process.

Photo Journal Criteria:

Your photo journal should include a record of your planning and building process:

- A photo of your design or plan before you begin.
- Photos showing your construction process.
- A photo of your completed bird feeder or bird bath.

A clear explanation of:

- What you created and why you chose this design.
- How your creation helps birds in your local environment.
- What materials you used and why you chose them.
- Any challenges you faced and how you solved them.

Show your project over time:

- Include at least 4 photos from start to finish.
- Add short captions explaining what is happening in each photo.
- Your photo journal may be printed on A4 paper, scrapbooked, or created digitally and printed.

Judging Criteria:

Judges will be looking for:

- Creativity and design
- Quality and strength of construction
- Practicality and usefulness
- Connection to the Waitoki Country Life theme
- Effort and explanation in the photo journal

This year our Construction Project will be kindly judged and sponsored by Bunnings Silverdale

HOME PROJECTS INFORMATION

All children at Waitoki School are expected to enter into at least one of the following competitions or rear an animal. Those who choose to rear an animal can also partake in the following.

OPTION TWO: Waitoki Country Life
Growing Project: Sunflower Challenge

This year's Ag Day growing challenge invites you to grow your very own sunflower and celebrate the joy of watching something small grow into something amazing. You will plant your sunflower seed at home, care for it, and bring your best sunflower to Ag Day to be judged.

Success Criteria:

- Grow a sunflower from seed at home.
- Your sunflower must:
 - Be grown and cared for by the child.
 - Be planted in a suitable pot or container.
 - Be healthy and well cared for.
 - Include a photo journal showing your sunflower's growth journey.
- Children may decorate their pot to reflect the Waitoki Country Life theme.

Photo Journal Criteria:

Your photo journal should include a record of your sunflower's growth:

- A photo of planting your seed.
- Photos showing your sunflower as it grows.
- A final photo of your sunflower ready for Ag Day.

Include captions explaining:

- What is happening in each photo.
- How you cared for your sunflower (watering, positioning, protecting it from pests, etc.).
- Changes you noticed as your sunflower grew.
- Any challenges or successes you experienced.

Show your sunflower journey over time:

- Include at least 6 photos from planting to Ag Day.
- Include a short reflection explaining what you learned about growing plants.
- Your photo journal may be printed on A4 paper, scrapbooked, or created digitally and printed.

Judging Criteria:

Judges will be looking for:

- Health and appearance of the sunflower
- Evidence of care and effort
- Presentation of the sunflower and pot
- Knowledge about growing plants
- Photo journal showing progress and learning

This year our Growing Project will be kindly judged and sponsored by Pete's Landscaping

HOME PROJECTS INFORMATION

All children at Waitoki School are expected to enter into at least one of the following competitions or rear an animal. Those who choose to rear an animal can also partake in the following.

OPTION THREE: Waitoki Country Life
Baking Project: Country Baking Challenge

This year's baking challenge celebrates the delicious homemade treats that are often shared with family, friends, and neighbours in country communities. Your challenge is to create a favourite country-style bake that represents the warmth and traditions of Waitoki Country Life.

Success Criteria:

- Bake one country-inspired item at home.
- Your baking must:
 - Be made by the child (with adult support where needed).
 - Be presented neatly and ready for judging.
 - Include a photo journal showing your baking process.
- Items could include:
 - Biscuits, cakes, muffins, scones or a family favourite recipe.

Photo Journal Criteria:

Your photo journal should include a record of your baking process:

- A photo of your planning or recipe choice.
- Photos showing the baking process.
- A photo of your finished creation.

Include:

- What you baked and why you chose it.
- The ingredients you used.
- How your bake connects to the Country Life theme.
- Any challenges or highlights from your baking experience.

Show your baking journey:

- Include at least 4 photos from start to finish.
- Add short captions explaining each stage.
- Your photo journal may be printed on A4 paper or created digitally and printed.

Judging Criteria:

Judges will be looking for:

- Taste and texture
- Presentation and visual appeal
- Creativity and connection to the Country Life theme
- Effort shown in the baking process and photo journal

This year our Baking Project will be kindly judged and sponsored by Donna Wallace from Gather and Grace

HOME PROJECTS INFORMATION

All children at Waitoki School are expected to enter into at least one of the following competitions or rear an animal. Those who choose to rear an animal can also partake in the following.

OPTION FOUR: Waitoki Country Life
Creative Project: Diorama Challenge

This year's creative challenge invites you to create a miniature scene that captures your favourite part of Waitoki Country Life. Your diorama could show a place, moment, or story inspired by the country environment around us. Use your imagination to bring a small world to life!

Your diorama could include:

- A farm scene
- A country garden
- Native bush
- A river or stream
- A rural landscape
- Animals in their natural environment
- A special place in the Waitoki community
- An imagined country scene

Success Criteria:

- Create a country-themed diorama using a shoe box.
- Your diorama must:
 - Show creativity and imagination.
 - Include details that bring your scene to life.
 - Use a range of materials (natural, recycled, or craft materials).
 - Be able to be safely transported to school.
 - Be clearly labelled with your name, year level, and class.

Judging Criteria:

Judges will be looking for:

- Creativity and imagination
- Detail and design
- Use of materials
- Connection to the Waitoki Country Life theme
- Effort and presentation

This year our Creative Project will be kindly judged and sponsored by Belinda and Amy from Capture Photography

Enrolment Information:

Do you have a child turning 5 in Term 3 or 4 this year.

Please contact the school office to arrange a school tour with the Principal, Jules McCourt. We have a limited number of out of zone places still available for 2026.

We have already begun the process for 2027 enrolments. If you live out of zone (OOZ) and have a younger child due to start school in 2027 you will need to apply for an Out of Zone place.

Please contact the school office for further information.

Phone: 09 4205244 or email: admin@waitoki.school.nz

EZ lunch:

EZ lunch orders are up and running! We have sushi Wednesdays and Go Deli on Fridays. If you are keen to take the stress out of lunches, visit ezlunch.co.nz, and click on Order Lunch. Remember to order before 9am on the day! **Go-deli** is running some great promotions this term for Ezlunch schools in term 3.

SIGNPOST SIGNS

Measles can arrive in your school at any time

It's highly contagious, spreads quickly in school environments, and can make people very unwell

- Most people who catch measles need at least two weeks at home to recover.
- Around one in three people infected with measles will require hospital care.

Immunisation is the best protection

You need two recorded doses of the measles vaccine (given after 12 months of age) to be considered fully protected.

- Born before 1 January 1969 - you're considered immune.
- Born between 1969 and 2004 - you may not be fully protected.

Check your immunisation status or book a vaccine today

Project Update from Auckland Transport:

Improving safety and accessibility on Kahikatea Flat Road, Waitoki

In November 2025, we shared the proposal to install a footpath along the northern side of Kahikatea Flat Road near the Waitoki Road intersection. Following your feedback, we've revised the design. The updated design will still provide a much-needed footpath connection, while also responding to concerns raised during engagement about parking. The revised design includes:

- a new footpath connecting the bus stop on the northern side of Kahikatea Flat Road to the existing footpath near the Waitoki Road intersection
- 15 angled carparks with a four-hour time limit
- Installing a zebra crossing where the current refuge island crossing point is (outside 1089 Kahikatea Flat Road)
- No stopping at all times (broken yellow lines) near the intersection, bus stop and crossing to make it drivers and pedestrians to see each other.

We are proposing that these changes are delivered in October 2026, pending approvals.

If you have any questions or comments on the plans, please email us at ATEngagement@at.govt.nz

(Reference: Kahikatea Flat Road Footpath) or leave a comment on our website by 7 August 2026. For more information and updates, visit haveyoursay.at.govt.nz/kahikatea-flat-road.
